This old pioneer cemetery is located south of Georgetown on Freesoil and Norman Cemetery Roads. The name was taken from the 1961 Higginsport Geologibal Survey Map, however, the 1876 Brown County, Ohio Atlas indicates the names as the Dugan's Cemetery. The grounds are in good condition but some of the old stones have deteriated making it difficult to copy the data. Copied March, 1962. Norman Cem.
